## **1) Interpretation and Clarification**

- 1.1 The Professional Boxing Association (hereinafter referred to as the PBA) reserves the right to clarify and amend any of the rules without notice as set out herein.
- 1.2 The rules are published on the PBA website, and it is the responsibility of licence holders to check and review any of the rules 24 hours prior to any contest or relevant date that may apply to a licence holder.
- 1.3 No amendment to the rules shall be made within 24 hours of any PBA sanctioned event. The PBA shall have the sole and reserved discretion to act in the interests of Professional Boxing.
- 1.4 The Rules and Regulations of the PBA are binding upon the agreement of a promoter/boxer contract (howsoever formed) who are subject to a PBA licence.
- 1.5 Licence holders have the right to seek clarification as to the interpretation of the rules.
- 1.6 Any licence holder who has any suggested rule amendment[s] must suggest the same in writing, which shall be considered by the PBA and either adopted, refused or amended accordingly at their sole discretion in a reasonable time in all the circumstances. For the avoidance of doubt any such amendments will not be applied or adopted to have retrospective affect.

## **2) Rules of Boxing**

- 2.1 Each round shall consist of a three (3) minute duration, with a one (1) minute rest period between rounds.
- 2.2 The referee is the sole arbiter of a contest and is the only individual authorised to stop a contest. This rule shall not preclude a video or other review of a decision under the procedures of the PBA if a protest is filed claiming a clear rule violation. Any protest brought shall be brought promptly.
- 2.3 All contests will be evaluated and scored by three (3) judges.
- 2.4 The 10 Point Must System will be the standard system of scoring a contest.
- 2.5 The Mandatory Eight (8) Count after knockdowns will be standard procedure in all contests.
- 2.6 All boxers are required to wear a mouthpiece during competition. The round cannot begin without the mouthpiece. If the mouthpiece is dislodged during competition, the referee will call time and have the mouthpiece replaced at the first opportune moment, without interfering with the immediate action. Points may be deducted by the referee if he feels the mouthpiece is being purposely spit out.
- 2.7 There is NO Standing Eight (8) Count.
- 2.8 There is NO Three (3) Knockdown Rule.
- 2.9 A boxer shall receive a twenty (20) second count if the boxer is knocked out of the ring. The boxer is to be unassisted by spectators

or his/her seconds. If assisted by anyone, the boxer may lose points or be disqualified with such a decision being within the sole discretion of the referee.

**2.10** A boxer who has been knocked down cannot be saved by the bell in any round.

**2.11** If a boxer sustains an injury from a fair blow and the injury is severe enough to terminate the contest, the injured boxer shall lose by TKO.

**2.12 Intentional Fouls:**

**2.12.1** If an intentional foul causes an injury, and the injury is severe enough to terminate the contest immediately, the boxer causing the injury shall lose by disqualification.

**2.12.2** If an intentional foul causes an injury and the contest is allowed to continue, the referee shall notify the authorities and deduct two (2) points from the boxer who caused the foul. Point deductions for intentional fouls will be discretionary.

**2.12.3** If an intentional foul causes an injury and the contest is allowed to continue, and the injury results in the contest being stopped in any round after the fourth (4th) round, the injured boxer will win by TECHNICAL DECISION if he is ahead on the score cards; and the contest will result in a TECHNICAL DRAW if the injured boxer is behind or even on the score cards.

**2.12.4** If the boxer injures himself while attempting to intentionally foul his opponent, the referee will not take any action in his favour, and this injury shall be the same as one produced by a fair blow.

**2.12.5** If the referee feels that a boxer has conducted himself in an unsportsmanlike manner, he may stop the contest and disqualify the boxer.

**2.13 Accidental Fouls:**

**2.13.1** If an accidental foul causes an injury severe enough for the referee to stop the contest, the contest will result in a NO DECISION if stopped before four (4) completed rounds. Four (4) rounds are complete when the bell rings signifying the end of the fourth round.

**2.13.2** If an accidental foul causes an injury severe enough for the referee to stop the contest after four (4) rounds have occurred, the contest will result in a TECHNICAL DECISION awarded to the boxer who is ahead on the score cards at the time the contest is stopped.

**2.13.2.1** *Partial or incomplete rounds will be scored. If no action has occurred, the round should be scored as an even round. This is at the discretion of the judges*

**2.14** A fighter who is hit with an accidental low blow must continue after a reasonable amount of time but no more than five (5) minutes, or he/she will lose the fight.

- 10.2.2 The purpose of the pre-fight exam is to ensure that boxer is well and fit to compete on the day.
- 10.2.3 Pre-fight medical will be conducted by one of the Doctors assigned to the event.
- 10.2.4 The doctor's decision from the pre-fight medical is final and ruling.

## **10.3 POST-FIGHT MEDICAL**

- 10.3.1 All boxers must be medically examined and assessed immediately after their fight.
- 10.3.2 Post-fight medical will be conducted by one of the Doctors assigned to the event.
- 10.3.3 There must be an examination area some distance away from the ring on the way to the dressing room where the boxer can be stopped and examined for mental status, head, neck or extremity injuries. This can be done rapidly by asking questions as to mental

orientation and status while a quick survey of head, face, neck and upper extremities is made.

- 10.3.4 A focused examination must be performed of any suspected possible injury that may have been noted during the contest.
- 10.3.5 The doctor's decision from the post-fight medical is final.
- 10.3.6 Boxer must comply with the doctor's instruction and/or advice.
- 10.3.7 Failure to comply with the doctor's instruction could result in suspension or removal of boxer licence
- 10.3.8 The PBA, at their sole discretion, may require the boxer to undergo a further MRI scan prior to reinstatement of boxer licence.

## 11) Scoring

11.1 The 10 Point Must System is always in effect in ALL PBA Sanctioned contests, score examples:

- 11.1.1 **10-10** round, indicates that according to the judge, BOTH fighters showed even or equal skill and no clear winner could be determined by the judge.
- 11.1.2 **10-9** round, indicates one fighter was more effective than the other or dominated the round without a knockdown. A 10-9 could also be given in a round where the dominating fighter was knocked down once in the round.
- 11.1.3 **10-8** round indicates one fighter was in constant control and clearly out fought his opponent as far as technique within the ring "AND" scored a knockdown on his/her opponent. The 10 score would be given to the fighter who forced the knockdown.
- 11.1.4 **10-7** round indicates total domination by one fighter in all aspects to the point that the referee nearly stopped the fight. There should have been at least 2 knockdowns.
- 11.1.5 **9-9** score indicates one or both fighters scored 10, but a point deduction brought the score down to 9-9. Again, these are just some examples. There are many other possibilities in final scoring, especially when point deduction and knockdowns are together in a single round.

## 12) Promoter

12.1 Promoter must submit a typed and detailed proposed fight card prior to an event commencing, in a reasonable time period for consideration of the PBA with the following information:

### 24) **Stoppage Regulation**

- 24.1 Any fighter who loses their contest by KNOCKOUT (KO) or TECHNICAL KNOCKOUT (TKO) OR RSCH (Referee Stops Contest - Head) will be suspended from boxing for the time periods outlined in **Rule 25**.
- 24.2 It is the responsibility and duty of the fighter, trainer and manager to respect and abide by this rule for the personal safety of their own fighter.
- 24.3 After the minimum rest period has been completed, boxer must have a doctor complete the PBA Clearance Form. Once this is completed, returned and approved by the PBA, boxer can then begin training for next event.
- 24.4 Boxers will not be able to take part in any further PBA sanctioned contests until we have received a completed clearance

form along with physical medical. Boxer license will then be reinstated.

- 24.5 The PBA, at their sole discretion, may require the boxer to undergo a further MRI scan prior to reinstatement of boxer licence.

**25) Suspension Periods after KO / TKO / RSCH (Referee Stops Contest - Head)**

**25.1 Single Occurrence of Knockout or RSCH**

**25.1.1 No Loss of Consciousness:** If a boxer suffers a knockout as a result of blows to the head or if the contest is stopped by the referee because the boxer has received heavy blows to the head, then the boxer may not take part in boxing or sparring for a period of at least 30 days afterwards.

**25.1.2 Loss of consciousness less than one Minute:** the boxer may not take part in boxing or sparring for a period of at least 60 days afterwards.

**25.1.3 Loss of consciousness more than one Minute:** the boxer may not take part in boxing or sparring for a period of at least 90 days afterwards

**25.2 Double Occurrence of Knockout or RSCH**

**25.2.1** If during the period of 90 days after a boxer's suspension, the boxer is knocked out a second time due to the boxer having received heavy blows to the head, then the boxer may not take part in boxing or sparring for a period of 90 days after the second occurrence. If the first Suspension was 60 days, the repeat suspension will be 90 days. If the first suspension was 90 days, the new suspension will be 180 days.

**25.3 Triple Occurrence of Knockout or RSCH**

**25.3.1** If during a period of 180 days after the boxers suspension, the boxer is knockout a third time from head blows, then they may not take part in boxing or sparring for a period of 180 days after the third occurrence. Any combination of knockouts or RSCHs that equal three times consecutively under these circumstances qualifies for the 180 day suspension.

**25.4 Other Suspension Periods**

**25.4.1** Any boxer who loses a difficult contest as a result of many blows to the head or who is knocked down in several successive competitions may be suspended from taking part in boxing or sparring for a minimum period of 30 days after the last contest.

**25.4.2** All these protective regulations apply when the knockout or severe head trauma occurs in training or in any other activity (sports, auto accidents, etc).

**25.5 Medical certification after the end of the suspension period**

**25.5.1** Before a boxer is allowed to fight after the above-mentioned suspension periods have passed, boxer must be passed as fit to box by a registered GP/Doctor or a neurologist.

**25.5.2** Boxer must have a registered doctor complete the PBA clearance form along with physical medical form, after the suspension time has passed.

**25.5.3** Only on the approval of these documents and the satisfaction by the PBA will the boxers licence will be reinstated.

**25.5.4** The PBA, at their sole discretion, may require the boxer to undergo a further MRI scan prior to reinstatement of boxer licence.

**26.1** Random drug testing at the PBA's sole discretion for performance enhancement drugs (PED) and recreational drugs is in force on all PBA sanctioned events.

**26.2** Boxers will be selected at random and must oblige with the process of testing without failure.

**26.3** Failure to participate if selected will result in suspension of boxer licence and unable to compete until testing is completed.

**26.4** All information relating to a PBA licenced boxer from the designated event anti-doping agency shall be confidentially sent directly to the PBA only.

**26.5** The PBA shall make determinations on a case by case basis.

**26.6** The licensed promoter is liable and responsible for all costs relating to implementing drug testing on PBA sanctioned events.

**26.7** The PBA is not responsible for payment of any fees that are due from the Promoter to any third party or licence holder. In the event the Promoter fails to pay a third party or licence holder, the PBA will consider all the circumstances and may consider sanctions for the reasons set out in rule 15.

**27) Intentional Foul**

**27.1** If the referee deems that a fighter is to have committed an **INTENTIONAL FOUL**, points may be deducted from the boxer and the referee may, in the referee's sole discretion, disqualify the boxer[s] from the contest.

- 27.2 The referee shall have the discretion to determine the following along with the assistance (if the referee so decides) of a PBA representative at ringside (who must be present at ringside):
- 27.2.1 Give the fighter who has fouled a warning.
  - 27.2.2 Deduct 1-2 points from the fighter who has fouled.
  - 27.2.3 Disqualify the boxer who has committed the intentional foul.
- 27.3 The PBA shall rule in such a case of intentional fouling whereby the Licenced Boxer (and/or an associated person), having been notified in writing as to the same, to answer before a disciplinary hearing and whereby the Boxer's purse may be withheld until the outcome of any such disciplinary hearing.
- 27.4 If an intentional foul causes an injury and the injury results in the contest being stopped in a later round, the injured boxer will win by TECHNICAL DECISION if he is ahead on the score cards; and the contest will result in a TECHNICAL DRAW if the injured boxer is behind or even on the score cards.
- 27.5 If the boxer injures himself while attempting to intentionally foul his opponent, the referee will not take any action in his favour, and this injury shall be the same as one produced by a fair blow.
- 27.6 If the referee feels that a boxer has conducted himself in an unsportsmanlike manner, he may stop the contest and disqualify the boxer.
- 27.7 The PBA shall, if it sees fit, fine the Licence Holder so that the Boxer is not compensated for such illegal conduct and unsportsmanlike bad faith.

## 28) **Accidental or Unintentional Foul**

- 28.1 If a fighter commits an **ACCIDENTAL FOUL**, points could be deducted from boxers score card.
- 28.2 The referee shall have the discretion to determine the following along with the assistance of the PBA representative at ringside:
- 28.2.1 Give the fighter who has fouled a warning.
  - 28.2.2 Deduct 1-2 points from the fighter who has fouled. The amount of points deducted would be determined by the Referee and or the PBA Event representative.
- 28.3 **IF AN ACCIDENTAL FOUL HAPPENS BEFORE THE START OR THE FIFTH ROUND:**
- 28.3.1 If an accidental foul causes an injury severe enough for the referee to stop the contest before the **FOURTH** round has been completed, the contest will result in a 'NO DECISION'.
  - 28.3.2 The fourth round has been completed at the starting bell of the fifth round.
  - 28.3.3 The one min break separating the fourth and fifth round is classed as the fourth round.

**28.4 IF AN ACCIDENTAL FOUL HAPPENS AFTER THE START OF THE FIFTH ROUND:**

**28.4.1** If an accidental foul causes an injury severe enough for the referee to stop the contest AFTER THE FIFTH ROUND BEGINS, the contest will result in a “TECHNICAL DECISION” awarded to the boxer who is ahead on the score cards at the time the contest is stopped.

**28.4.2** Partial or incomplete rounds will be scored. If no action has occurred, the round should be scored as an even round. This is at the discretion of the judges.

**28.5 LOW BLOW**

**28.5.1** A fighter who is hit with an accidental low blow must continue after a reasonable amount of time but no more than **FIVE MINUTES**, or they will lose the fight.

**28.5.2** PBA does not believe a fighter should be "*Disqualified*" for an "ACCIDENTAL" Foul UNLESS it occurs more than once.

**29) Unintentional or Non-Foul Related Injury**

**29.1** If a fighter becomes injured by something other than a foul or legal strike (*Example: Twisted or Dislocated Knee, Dislocated Shoulder, Twisted Ankle, Getting hit by something flying into the ring from the crowd, fall to the ring floor and floor causing an injury etc.*) the decision of the contest would be one of two outcomes.

**29.1.1** If the injury occurs before the fourth round has been completed, the contest will be declared a “NO DECISION”. This includes if the determination “*not to continue*” is made during the break of round four.

**29.1.2** If the injury occurs after the starting bell of round “5”, the Official PBA Representative at ringside will do the following:

**29.1.2.1** All 3 Judges’ scorecards will be collected and tallied by the PBA Representative.

**29.1.2.2** If the INJURED Fighter is ahead on the score cards, the round shall be declared a TECHNICAL DRAW.

**29.1.2.3** If the NON-INJURED fighter is ahead on the scorecards, they will be awarded a win by TKO.

**30) Illegal Techniques**

**30.1** Headbutts.

**30.2** Punches to the back of the Head.

- 30.15 Attacking when the referee is breaking the fighters apart.
- 30.16 Fighting after the bell has indicated the end of the round.
- 30.17 Pushing or shoving an opponent through the ropes or out of the ring.
- 30.18 Grabbing or holding onto an opponent's leg, foot or any other part of the body.
- 30.19 If the Referee or PBA Representative feel that a fighter has acted unsportsmanlike.
- 30.20 The "REFEREE" has several options after a foul has been committed:
  - 30.20.1 To give a Warning
  - 30.20.2 To deduct points from the fighter fouling
  - 30.20.3 Disqualify
- 30.21 If the fighter "struck" is greatly injured, (*Cut, Can't Continue because of the blow or Knocked Out*) the Referee, in their sole discretion, can choose to disqualify the fouling Fighter.

### 31) Disqualifications

#### 31.1 FALLING OUT OF RING

- 31.1.1 If a fighter has fallen through or become entangled in the ropes of the ring, the opponent CANNOT strike. If they do, a decision will be made that will depend greatly upon what actually occurred which will vary from how long the fighter was entangled in the ropes to if or not the attacking fighter had a good view of such or not.
- 31.1.2 If a fighter is knocked down to the ring floor or falls to the floor he must get up under his own power within 10 seconds if he falls onto the apron and within 20 seconds if he falls to the floor.
- 31.1.3 Usually if a boxer falls or is pushed through the ropes out of the ring, it is not their own fault. If so, the

contest shall stop until said boxer can gather themselves and return to the ring. They are not allowed any help from their own corner men, but ringside officials may assist within reason.

**31.1.4** If the fall from the ring caused any injury/damage, the ringside physician shall examine the boxer to make any such conclusion.

**31.1.5** If injured, the Referee, Ringside Doctor and/or PBA Representative shall determine whether the injury was due to a strike prior to their falling from the ring or a cause of the fall and together shall make a decision as to the outcome of the contest.

**31.1.6** If the fighter is injured from the fall out of the ring, the Referee, Ringside Doctor and PBA Representative will determine the decision for the moment. (*Recovery period, Disqualification, Technical Draw, Knockout etc.*)

**31.2** If a fighter drops his mouthpiece 3 times during 1 round, that fighter will be disqualified from the match and lose by a TECHNICAL KNOCKOUT (TKO).

**31.3** Any illegal move which is considered to be outside the rules of boxing by the PBA may result in disqualification and/or the Boxers purse being withheld, a fine, the Boxer and/or linked Licence Holder being disqualified, having to pay the reasonably incurred legal costs and/or a combination of any of these sanctions.

## **32) Alcohol and Drugs**

**32.1** Any fighter found under the influence of ANY drug within 24 hours before or during the contest shall be fined by the PBA a MINIMUM of £1000.00, plus any reasonably incurred legal costs and shall be disqualified from their match, not receive their purse and pay the Promoter costs incurred. Fighters may also be banned from taking out a PBA boxer licence again in the future for a time period as set down by the PBA.

**32.2** Rule 26, Random drug testing is in action on all PBA sanctioned events.

**32.3** If the fighter holds any PBA titles, they will lose them immediately.

**32.4** Any boxer holding a PBA boxer license in accordance with Rule 26 consents to the PBA for drug testing at any time.

## **33) Appeal Process**

### **33.1 First Stage - Review Hearing:**

**33.1.1** In the event a boxer (or affiliated licence holder) seeks to challenge a decision made by the PBA officials in

relation to a decision made in a contest, this must be made within 7-days of the contest, in writing.

**33.1.2** A challenge of a contest decision cannot be made due to a disagreement with the contest result. A challenge of a contest decision can only be overturned in the event the decision was irrational and/or perverse.

**33.1.3** The PBA shall have complete discretion in refusing to accept such a challenge.

**33.1.4** The relevant official[s] shall be notified of any challenge to seek whether they accept the challenge based on any the evidence presented.

**33.1.5** The relevant official[s] view shall be taken into account by an Independent Adjudication Panel appointed by the PBA as to whether the original decision was irrational and/or perverse.

**33.1.6** The PBA shall have no influence in the Panel's decision.

**33.1.7** The PBA may, on determination of any challenge, make such order for costs as they deem fit.

**33.1.8** All licence holders shall have the right to Appeal a decision made by the Review Panel within 14 days of the decision made, as set out in rule 33.2 below.

**33.2 Second Stage - Appeal of the Review Panel's Decision:**

**33.2.1** Appeals must be submitted to PBA within 14 days of a decision made by the PBA review panel.

**33.2.2** The PBA shall have no influence in the Appeal panel's decision and the hearing shall be heard *de novo* in accordance with the process as the Chairperson shall set out in writing within 14 days of the receipt of an Appeal Notice.

**33.2.3** The Appeal panel shall include two prominent lawyers and one lay person unless the Appeal Chairperson directs to the contrary.

**33.2.4** The Appeal panel shall, in their sole discretion, uphold the review panels decision or overturn the review panel decision. The Appeal Panel shall have the sole discretion of implementing a new sanction, if any.

**33.2.5** In the event an Appeal is won by the Appellant, they shall not be entitled to their legal costs for the Appeal, or the decision made.

**33.2.6** In the event the Appeal is lost by the Appellant, the Appeal Panel shall have the sole discretion as to whether the costs of the PBA's representation shall be borne by the unsuccessful Appellant considering all the circumstances of the case.

**34) Complaints**

- 34.1** Any complaint about or by a Member or differences and questions coming within the provisions of these Rules and Regulations must be lodged with the PBA.
- 34.2** When notified of a complaint the PBA shall have a complete discretion to refuse to hear such complaint.
- 34.3** Upon receipt of notice of a complaint the PBA may order that the same shall be referred to and heard by an Independent Adjudication Panel and consideration shall be given as to whether the Arbitration Act 1996 shall take effect.
- 34.4** The PBA may require the Complaint to be accompanied by a deposit in such sum as the Board may determine in its discretion. If the Complaint is not pursued or is not successful the deposit may be forfeited to the PBA with further costs for such failings, if the Independent Panel so decides considering all the circumstances of the case.
- 34.5** If the PBA decide that they will hear the complaint, they shall proceed to determine the same and make such order as they may in their absolute discretion think fit. Without prejudice to the generality of the foregoing the PBA shall have the power to withdraw a licence or to suspend the same for such a period as they may decide and/or make such an order.

**35) Jurisdiction**

- 35.1** The laws of England and Wales shall apply to these rules. For the avoidance of doubt any proceedings issued or the rules challenged shall be governed by the Courts of England and Wales unless there is an Agreement for the parties to enter a confidential Arbitration in accordance with the Arbitration Act 1996.
- 35.2** If Arbitration is accepted by both parties only, then such details are to be requested and agreed by any challenger and the terms of which shall remain confidential.
